

HOW TO USE THE “Listen EVERYWHERE” APP.

Use your own earbuds or,

Use our loan Neck loop for hearing aids with telecoils or

Our loan 'open' earphones

- (1) Download and install the free “Listen EVERYWHERE” app. from Apple or Google Play Store
- (2) Scan for the in-house Wi-Fi system. Select channel 1 and press the connect button. *(Other channels may be used for language interpretation—consult sound controller for more info.)*
- (3) Attach your personal earbuds, or use our loan earphones, or neck loop *(for hearing aids with telecoils)* available from sound controller.
- (4) If your hearing aids or implant are already configured for direct audio streaming technology they should connect automatically to your phone without any attachments, as soon as the audio in your phone is on. *(If unsure, consult your hearing aid provider at your convenience.)*

Please return any loan attachments to sound controller at the end of program. - PLEASE! Do not leave equipment un-attended on your seat.
